Attached Files:  [ALA-Mitosis.docx](#) (163.837 KB)

This assignment will be completed during class, but you are welcome to work on it beforehand. Open and display this file. Work

on answering these questions in teams of three (trios), and submit only **ONE** completed assignment per table through Blackboard. You must be present in class to receive full credit for this ALA.

ALA-Cancer

Cancer ALA: DUE THURSDAY, 10/8!

Identify a new approach that is being investigated for the treatment of cancer.

Create a PowerPoint file that addresses the following:

- 1. Brief discussion of what the treatment is/how it works.
- 2. Evidence that the treatment may be effective.
- 3. What are potential side effects (if known)?

Be prepared to give a 3 MINUTE presentation! Perhaps spread the duties as follows: Investigator, PowerPoint creator, presenter (entirely up to you though).

Upload completed file to Blackboard here.

ALA-Meiosis

Attached Files:  [ALA-meiosis.docx](#) (213.596 KB)
